

Rear Upper Arms Kit Installation Instructions SPL RUA F8X

Each kit includes four separate arms.

1. Remove factory arms from car.
2. Set SPL Parts Arms next to the OEM arms to determine approximate length, loosening allen bolts with 3/32 allen wrench.
3. Install subframe end with the Cone Spacers (2) and tighten to **80 ft-lb.**
4. Install the knuckle end with the nuts, washers, and spacers in the same orientation as shown in the picture (from left to right – 8, 6, knuckle, 3, 5, 10, 7). The washer should go between the knuckle and the locknut. Tighten to **85 ft-lb.**
5. Have car professionally aligned, as replicating your settings is nearly impossible. Take these instructions with you to ensure that the arm is adjusted correctly. The Blue Titanium Socket Head Cap Screws (11) should be tightened to **150 in-lb. DO NOT OVERTORQUE!** *SPL Parts is not liable for any issues due to overtorque.*
6. Be safe and enjoy your new upgrade!

ONE-YEAR LIMITED WARRANTY AND DISCLAIMER

All SPL brand products are intended for **Off Road Use Only** and carry a one year limited warranty. See below for details. All other branded products carry their respective manufacturer warranty.

SPL PRO suspension products warranted to be free of defects in material and workmanship for one (1) year from the date of purchase.

If a product fails to meet specifications, SPL PARTS INC will, at its election, repair, replace, or make appropriate adjustment, if SPL PARTS INC determines to its satisfaction that the product is defective in material or workmanship, i.e. contains a defect arising out of the manufacture of the product and not a defect caused by other circumstances, including, but not limited to accident, misuse, abuse, unforeseeable use, neglect, alteration, improper installation, improper adjustment, improper repair, or failure caused by other equipment or interaction with other equipment. SPL PARTS INC is not responsible for labor charges, removal charges, installation, or other incidental or consequential costs. In no event shall the liability of SPL PARTS INC exceed the purchase price of the product.

SPL PARTS INC makes no other warranties, either expressed or implied, including limitation warranties as to merchantability or fitness for a particular purpose. SPL PARTS INC shall not be liable for, and buyer assumes all risk of, any advice or failure to provide advice by SPL PARTS INC to buyer regarding the product or use and installation of product. SPL PARTS INC shall not be liable for any special, incidental or consequential damages.

If the purchaser of the product shall fail to pay when due any portion of the purchase price, or fail to meet any terms required under contract agreed on at time of purchase, all warranties and remedies granted may be terminated.

Using any SPL arm as a tie/strap down point for a dyno session or transport will void the warranty.
